

## ***BEGIN YOUR LOCAL CELL BIBLE INSTITUTE TODAY!***

### Message From Our President,

In 1984 I attended an international conference with Full Gospel Assemblies International. The president of FGAI told all the ministers at the conference that they could begin branch bible schools in their churches under Full Gospel Bible Institute. I jumped for joy and praised the Lord. This was a prayer answered for me. I remember I asked the Lord before this; “ wouldn’t it be nice to begin a bible school”. Well God opened the door and NYCFG was born.

As the Lord gives to us freely, so I want to extend to others the support and help to reach your vision in beginning cell bible schools. Cell groups are the most effective spiritual ministry of Christians today. Christ is in the midst of cell groups even if two or three gather together in His name:

*“For where two or three are gathered in my name,  
there I am in the midst of them.” (Matthew 9:20)*

**It only takes a spark to light a fire! Let it begin with you today!**

### **Some Questions You May Have?**

1. *How many people do I need to start?*

You can start with two people.

2. *Do I have to be a minister or have an undergraduate degree?*

Although we would prefer our instructors to be licensed or ordained

Ministers, or have a qualified degree, you may begin as a facilitator for the seminary.

3. *How large should a cell group be?*

Jesus taught His twelve disciples. We know that small group interaction has better results in the education process, so we recommend not more than twelve students.

4. *What courses can be studied in cell bible groups?*

Most courses from the Biblical Studies program, especially our program of every book in the Bible, (see pages 22, 31-32 in our catalog).

5. *Can these subjects be taken for credit or non-credit?*

Courses may be taken for credit when the student completes all written assignments and takes a final exam after each course. Non-credit students complete the Bible studies and answer the questions in each subject. All students receive a course certificate after completion.

6. *What is the cost for each subject one takes?*

Our Seminary has made the cost of tuition very reasonable. We ask those Interested facilitators or instructors to contact the Seminary for detailed Information. You may look at page 12 of our catalog for fee cost, although for students in a non-credit program, the cost is much less.

7. *What benefit does a facilitator or instructor of a cell group have?*

Facilitators or Instructors become ministry Partners with the Seminary. There are a number of benefits they would have such as taking courses for half of the cost and getting credit for them as they work with their cell group. Contact Dr. Garofalo for specific Partnership stipulations and benefits.

8. *How can I get started?*

The first thing to do is contact us and indicate your interest in becoming a cell group leader. Please give us your e-mail, telephone contact number in order for Dr. Garofalo to personally call you. Second – you will receive our Cell Bible Institute information packet. Third – you will receive our free membership card in the National Association of Christian Counselors, Ministers, and Churches for the first year.
